What more could be

ISAIAH 5:4

When God Daydreamed Us

FR. JOSEPH JUKNIALIS

At the end of the Broadway musical *Camelot*, King Arthur finds himself confronted by the fact that his dream of the Round Table and justice for all has died without having borne the fruit he had hoped. A young boy, Tom of Warwick, comes up to him asking if he might be dubbed a knight. Arthur does so, and then commissions him to go forth and tell the story of Camelot to everyone he meets, all with the hope that someone someday will dare to try again to create a world with equal justice for all.

We all live with dreams of what we might be, of what life might be. They seldom turn out the way we had imagined, yet what would life be without such dreams. They push us into new futures. They create hope and new possibilities. They bring meaning to our lives.

The parable of the landowner and his vineyard is really a story of God and the dream God has for us. It is a story of how God withholds nothing from caring for his vineyard that it might bear fruit, that is, from trying to make his dream for us a reality, even to the point of giving his Son over to that dream.

Dreams never come easy. If they did, they would not be dreams. It was so for those who founded this nation in 1776. It is so for parents with dreams for their children. It is so as well for God, who dreams dreams for us in Jesus. ●

How is an icon different from a regular painting of a saint?

Generally, *icon* means a symbol or image. In the Church, it refers to an image depicting Bible stories or holy people. “Icons express in images the same Gospel message that Scripture communicates by words” (*Catechism of the Catholic Church*, 1160).

Even though an icon is an image created with paints, icons are written, not painted. Icon writing, called iconography, is a vocation as well as a talent. The difference between a painter and an iconographer is that iconographers follow strict rules and standards set forth in Eastern Church canon law and Christian tradition. Rooted in God’s word, icons are rich in symbolism. The colors, gestures, and shapes speak spiritually to invite us to pray and worship.

Icons can be written on almost any surface, but historically most were written on wood and had a gold-leaf background. One example of this type of icon is Our Mother of Perpetual Help, which is believed to have been written in the fifteenth century. Pope Pius IX gave it to the Redemptorists in 1865, telling the order to “make her known throughout the world.” It now hangs in the Church of Sant’ Alfonso in Rome.

What more could be

ISAIAH 5:4

When God Daydreamed Us

FR. JOSEPH JUKNIALIS

At the end of the Broadway musical *Camelot*, King Arthur finds himself confronted by the fact that his dream of the Round Table and justice for all has died without having borne the fruit he had hoped. A young boy, Tom of Warwick, comes up to him asking if he might be dubbed a knight. Arthur does so, and then commissions him to go forth and tell the story of Camelot to everyone he meets, all with the hope that someone someday will dare to try again to create a world with equal justice for all.

We all live with dreams of what we might be, of what life might be. They seldom turn out the way we had imagined, yet what would life be without such dreams. They push us into new futures. They create hope and new possibilities. They bring meaning to our lives.

The parable of the landowner and his vineyard is really a story of God and the dream God has for us. It is a story of how God withholds nothing from caring for his vineyard that it might bear fruit, that is, from trying to make his dream for us a reality, even to the point of giving his Son over to that dream.

Dreams never come easy. If they did, they would not be dreams. It was so for those who founded this nation in 1776. It is so for parents with dreams for their children. It is so as well for God, who dreams dreams for us in Jesus. ●

Dear Padre

How is an icon different from a regular painting of a saint?

Generally, *icon* means a symbol or image. In the Church, it refers to an image depicting Bible stories or holy people. “Icons express in images the same Gospel message that Scripture communicates by words” (*Catechism of the Catholic Church*, 1160).

Even though an icon is an image created with paints, icons are written, not painted. Icon writing, called iconography, is a vocation as well as a talent. The difference between a painter and an iconographer is that iconographers follow strict rules and standards set forth in Eastern Church canon law and Christian tradition. Rooted in God’s word, icons are rich in symbolism. The colors, gestures, and shapes speak spiritually to invite us to pray and worship.

Icons can be written on almost any surface, but historically most were written on wood and had a gold-leaf background. One example of this type of icon is Our Mother of Perpetual Help, which is believed to have been written in the fifteenth century. Pope Pius IX gave it to the Redemptorists in 1865, telling the order to “make her known throughout the world.” It now hangs in the Church of Sant’ Alfonso in Rome.

How is an icon different from a regular painting of a saint?

Generally, *icon* means a symbol or image. In the Church, it refers to an image depicting Bible stories or holy people. “Icons express in images the same Gospel message that Scripture communicates by words” (*Catechism of the Catholic Church*, 1160).

Even though an icon is an image created with paints, icons are written, not painted. Icon writing, called iconography, is a vocation as well as a talent. The difference between a painter and an iconographer is that iconographers follow strict rules and standards set forth in Eastern Church canon law and Christian tradition. Rooted in God’s word, icons are rich in symbolism. The colors, gestures, and shapes speak spiritually to invite us to pray and worship.

Icons can be written on almost any surface, but historically most were written on wood and had a gold-leaf background. One example of this type of icon is Our Mother of Perpetual Help, which is believed to have been written in the fifteenth century. Pope Pius IX gave it to the Redemptorists in 1865, telling the order to “make her known throughout the world.” It now hangs in the Church of Sant’ Alfonso in Rome.

What more could be

ISAIAH 5:4

When God Daydreamed Us

FR. JOSEPH JUKNIALIS

At the end of the Broadway musical *Camelot*, King Arthur finds himself confronted by the fact that his dream of the Round Table and justice for all has died without having borne the fruit he had hoped. A young boy, Tom of Warwick, comes up to him asking if he might be dubbed a knight. Arthur does so, and then commissions him to go forth and tell the story of Camelot to everyone he meets, all with the hope that someone someday will dare to try again to create a world with equal justice for all.

We all live with dreams of what we might be, of what life might be. They seldom turn out the way we had imagined, yet what would life be without such dreams. They push us into new futures. They create hope and new possibilities. They bring meaning to our lives.

The parable of the landowner and his vineyard is really a story of God and the dream God has for us. It is a story of how God withholds nothing from caring for his vineyard that it might bear fruit, that is, from trying to make his dream for us a reality, even to the point of giving his Son over to that dream.

Dreams never come easy. If they did, they would not be dreams. It was so for those who founded this nation in 1776. It is so for parents with dreams for their children. It is so as well for God, who dreams dreams for us in Jesus. ●

How is an icon different from a regular painting of a saint?

Generally, *icon* means a symbol or image. In the Church, it refers to an image depicting Bible stories or holy people. “Icons express in images the same Gospel message that Scripture communicates by words” (*Catechism of the Catholic Church*, 1160).

Even though an icon is an image created with paints, icons are written, not painted. Icon writing, called iconography, is a vocation as well as a talent. The difference between a painter and an iconographer is that iconographers follow strict rules and standards set forth in Eastern Church canon law and Christian tradition. Rooted in God’s word, icons are rich in symbolism. The colors, gestures, and shapes speak spiritually to invite us to pray and worship.

Icons can be written on almost any surface, but historically most were written on wood and had a gold-leaf background. One example of this type of icon is Our Mother of Perpetual Help, which is believed to have been written in the fifteenth century. Pope Pius IX gave it to the Redemptorists in 1865, telling the order to “make her known throughout the world.” It now hangs in the Church of Sant’ Alfonso in Rome.

What more could be

ISAIAH 5:4

When God Daydreamed Us

FR. JOSEPH JUKNIALIS

At the end of the Broadway musical *Camelot*, King Arthur finds himself confronted by the fact that his dream of the Round Table and justice for all has died without having borne the fruit he had hoped. A young boy, Tom of Warwick, comes up to him asking if he might be dubbed a knight. Arthur does so, and then commissions him to go forth and tell the story of Camelot to everyone he meets, all with the hope that someone someday will dare to try again to create a world with equal justice for all.

We all live with dreams of what we might be, of what life might be. They seldom turn out the way we had imagined, yet what would life be without such dreams. They push us into new futures. They create hope and new possibilities. They bring meaning to our lives.

The parable of the landowner and his vineyard is really a story of God and the dream God has for us. It is a story of how God withholds nothing from caring for his vineyard that it might bear fruit, that is, from trying to make his dream for us a reality, even to the point of giving his Son over to that dream.

Dreams never come easy. If they did, they would not be dreams. It was so for those who founded this nation in 1776. It is so for parents with dreams for their children. It is so as well for God, who dreams dreams for us in Jesus. ●

How is an icon different from a regular painting of a saint?

Generally, *icon* means a symbol or image. In the Church, it refers to an image depicting Bible stories or holy people. “Icons express in images the same Gospel message that Scripture communicates by words” (*Catechism of the Catholic Church*, 1160).

Even though an icon is an image created with paints, icons are written, not painted. Icon writing, called iconography, is a vocation as well as a talent. The difference between a painter and an iconographer is that iconographers follow strict rules and standards set forth in Eastern Church canon law and Christian tradition. Rooted in God’s word, icons are rich in symbolism. The colors, gestures, and shapes speak spiritually to invite us to pray and worship.

Icons can be written on almost any surface, but historically most were written on wood and had a gold-leaf background. One example of this type of icon is Our Mother of Perpetual Help, which is believed to have been written in the fifteenth century. Pope Pius IX gave it to the Redemptorists in 1865, telling the order to “make her known throughout the world.” It now hangs in the Church of Sant’ Alfonso in Rome.

What more could be

ISAIAH 5:4

When God Daydreamed Us

FR. JOSEPH JUKNIALIS

At the end of the Broadway musical *Camelot*, King Arthur finds himself confronted by the fact that his dream of the Round Table and justice for all has died without having borne the fruit he had hoped. A young boy, Tom of Warwick, comes up to him asking if he might be dubbed a knight. Arthur does so, and then commissions him to go forth and tell the story of Camelot to everyone he meets, all with the hope that someone someday will dare to try again to create a world with equal justice for all.

We all live with dreams of what we might be, of what life might be. They seldom turn out the way we had imagined, yet what would life be without such dreams. They push us into new futures. They create hope and new possibilities. They bring meaning to our lives.

The parable of the landowner and his vineyard is really a story of God and the dream God has for us. It is a story of how God withholds nothing from caring for his vineyard that it might bear fruit, that is, from trying to make his dream for us a reality, even to the point of giving his Son over to that dream.

Dreams never come easy. If they did, they would not be dreams. It was so for those who founded this nation in 1776. It is so for parents with dreams for their children. It is so as well for God, who dreams dreams for us in Jesus. ●

How is an icon different from a regular painting of a saint?

Generally, *icon* means a symbol or image. In the Church, it refers to an image depicting Bible stories or holy people. “Icons express in images the same Gospel message that Scripture communicates by words” (*Catechism of the Catholic Church*, 1160).

Even though an icon is an image created with paints, icons are written, not painted. Icon writing, called iconography, is a vocation as well as a talent. The difference between a painter and an iconographer is that iconographers follow strict rules and standards set forth in Eastern Church canon law and Christian tradition. Rooted in God’s word, icons are rich in symbolism. The colors, gestures, and shapes speak spiritually to invite us to pray and worship.

Icons can be written on almost any surface, but historically most were written on wood and had a gold-leaf background. One example of this type of icon is Our Mother of Perpetual Help, which is believed to have been written in the fifteenth century. Pope Pius IX gave it to the Redemptorists in 1865, telling the order to “make her known throughout the world.” It now hangs in the Church of Sant’ Alfonso in Rome.

What more could be

ISAIAH 5:4

When God Daydreamed Us

FR. JOSEPH JUKNIALIS

At the end of the Broadway musical *Camelot*, King Arthur finds himself confronted by the fact that his dream of the Round Table and justice for all has died without having borne the fruit he had hoped. A young boy, Tom of Warwick, comes up to him asking if he might be dubbed a knight. Arthur does so, and then commissions him to go forth and tell the story of Camelot to everyone he meets, all with the hope that someone someday will dare to try again to create a world with equal justice for all.

We all live with dreams of what we might be, of what life might be. They seldom turn out the way we had imagined, yet what would life be without such dreams. They push us into new futures. They create hope and new possibilities. They bring meaning to our lives.

The parable of the landowner and his vineyard is really a story of God and the dream God has for us. It is a story of how God withholds nothing from caring for his vineyard that it might bear fruit, that is, from trying to make his dream for us a reality, even to the point of giving his Son over to that dream.

Dreams never come easy. If they did, they would not be dreams. It was so for those who founded this nation in 1776. It is so for parents with dreams for their children. It is so as well for God, who dreams dreams for us in Jesus. ●

The parable of the landowner and his vineyard is really a story of God and the dream God has for us. It is a story of how God withholds nothing from caring for his vineyard that it might bear fruit, that is, from trying to make his dream for us a reality, even to the point of giving his Son over to that dream.

Dreams never come easy. If they did, they would not be dreams. It was so for those who founded this nation in 1776. It is so for parents with dreams for their children. It is so as well for God, who dreams dreams for us in Jesus. ●

How is an icon different from a regular painting of a saint?

Generally, *icon* means a symbol or image. In the Church, it refers to an image depicting Bible stories or holy people. “Icons express in images the same Gospel message that Scripture communicates by words” (*Catechism of the Catholic Church*, 1160).

Even though an icon is an image created with paints, icons are written, not painted. Icon writing, called iconography, is a vocation as well as a talent. The difference between a painter and an iconographer is that iconographers follow strict rules and standards set forth in Eastern Church canon law and Christian tradition. Rooted in God’s word, icons are rich in symbolism. The colors, gestures, and shapes speak spiritually to invite us to pray and worship.

Icons can be written on almost any surface, but historically most were written on wood and had a gold-leaf background. One example of this type of icon is Our Mother of Perpetual Help, which is believed to have been written in the fifteenth century. Pope Pius IX gave it to the Redemptorists in 1865, telling the order to “make her known throughout the world.” It now hangs in the Church of Sant’ Alfonso in Rome.

ISAIAH 5:4

When God Daydreamed Us

FR. JOSEPH JUKNIALIS

At the end of the Broadway musical *Camelot*, King Arthur finds himself confronted by the fact that his dream of the Round Table and justice for all has died without having borne the fruit he had hoped. A young boy, Tom of Warwick, comes up to him asking if he might be dubbed a knight. Arthur does so, and then commissions him to go forth and tell the story of Camelot to everyone he meets, all with the hope that someone someday will dare to try again to create a world with equal justice for all.

We all live with dreams of what we might be, of what life might be. They seldom turn out the way we had imagined, yet what would life be without such dreams. They push us into new futures. They create hope and new possibilities. They bring meaning to our lives.

The parable of the landowner and his vineyard is really a story of God and the dream God has for us. It is a story of how God withholds nothing from caring for his vineyard that it might bear fruit, that is, from trying to make his dream for us a reality, even to the point of giving his Son over to that dream.

ISAIAH 5:4

When God Daydreamed Us

FR. JOSEPH JUKNIALIS

At the end of the Broadway musical *Camelot*, King Arthur finds himself confronted by the fact that his dream of the Round Table and justice for all has died without having borne the fruit he had hoped. A young boy, Tom of Warwick, comes up to him asking if he might be dubbed a knight. Arthur does so, and then commissions him to go forth and tell the story of Camelot to everyone he meets, all with the hope that someone someday will dare to try again to create a world with equal justice for all.

We all live with dreams of what we might be, of what life might be. They seldom turn out the way we had imagined, yet what would life be without such dreams. They push us into new futures. They create hope and new possibilities. They bring meaning to our lives.

The parable of the landowner and his vineyard is really a story of God and the dream God has for us. It is a story of how God withholds nothing from caring for his vineyard that it might bear fruit, that is, from trying to make his dream for us a reality, even to the point of giving his Son over to that dream.

Dreams never come easy. If they did, they would not be dreams. It was so for those who founded this nation in 1776. It is so for parents with dreams for their children. It is so as well for God, who dreams dreams for us in Jesus. ●

How is an icon different from a regular painting of a saint?

Generally, *icon* means a symbol or image. In the Church, it refers to an image depicting Bible stories or holy people. “Icons express in images the same Gospel message that Scripture communicates by words” (*Catechism of the Catholic Church*, 1160).

Even though an icon is an image created with paints, icons are written, not painted. Icon writing, called iconography, is a vocation as well as a talent. The difference between a painter and an iconographer is that iconographers follow strict rules and standards set forth in Eastern Church canon law and Christian tradition. Rooted in God’s word, icons are rich in symbolism. The colors, gestures, and shapes speak spiritually to invite us to pray and worship.

Icons can be written on almost any surface, but historically most were written on wood and had a gold-leaf background. One example of this type of icon is Our Mother of Perpetual Help, which is believed to have been written in the fifteenth century. Pope Pius IX gave it to the Redemptorists in 1865, telling the order to “make her known throughout the world.” It now hangs in the Church of Sant’ Alfonso in Rome.

What more could be

ISAIAH 5:4

When God Daydreamed Us

FR. JOSEPH JUKNIALIS

At the end of the Broadway musical *Camelot*, King Arthur finds himself confronted by the fact that his dream of the Round Table and justice for all has died without having borne the fruit he had hoped. A young boy, Tom of Warwick, comes up to him asking if he might be dubbed a knight. Arthur does so, and then commissions him to go forth and tell the story of Camelot to everyone he meets, all with the hope that someone someday will dare to try again to create a world with equal justice for all.

We all live with dreams of what we might be, of what life might be. They seldom turn out the way we had imagined, yet what would life be without such dreams. They push us into new futures. They create hope and new possibilities. They bring meaning to our lives.

The parable of the landowner and his vineyard is really a story of God and the dream God has for us. It is a story of how God withholds nothing from caring for his vineyard that it might bear fruit, that is, from trying to make his dream for us a reality, even to the point of giving his Son over to that dream.

Dreams never come easy. If they did, they would not be dreams. It was so for those who founded this nation in 1776. It is so for parents with dreams for their children. It is so as well for God, who dreams dreams for us in Jesus. ●

How is an icon different from a regular painting of a saint?

Generally, *icon* means a symbol or image. In the Church, it refers to an image depicting Bible stories or holy people. “Icons express in images the same Gospel message that Scripture communicates by words” (*Catechism of the Catholic Church*, 1160).

Even though an icon is an image created with paints, icons are written, not painted. Icon writing, called iconography, is a vocation as well as a talent. The difference between a painter and an iconographer is that iconographers follow strict rules and standards set forth in Eastern Church canon law and Christian tradition. Rooted in God’s word, icons are rich in symbolism. The colors, gestures, and shapes speak spiritually to invite us to pray and worship.

Icons can be written on almost any surface, but historically most were written on wood and had a gold-leaf background. One example of this type of icon is Our Mother of Perpetual Help, which is believed to have been written in the fifteenth century. Pope Pius IX gave it to the Redemptorists in 1865, telling the order to “make her known throughout the world.” It now hangs in the Church of Sant’ Alfonso in Rome.

ISAIAH 5:4

When God Daydreamed Us

FR. JOSEPH JUKNIALIS

At the end of the Broadway musical *Camelot*, King Arthur finds himself confronted by the fact that his dream of the Round Table and justice for all has died without having borne the fruit he had hoped. A young boy, Tom of Warwick, comes up to him asking if he might be dubbed a knight. Arthur does so, and then commissions him to go forth and tell the story of Camelot to everyone he meets, all with the hope that someone someday will dare to try again to create a world with equal justice for all.

We all live with dreams of what we might be, of what life might be. They seldom turn out the way we had imagined, yet what would life be without such dreams. They push us into new futures. They create hope and new possibilities. They bring meaning to our lives.

The parable of the landowner and his vineyard is really a story of God and the dream God has for us. It is a story of how God withholds nothing from caring for his vineyard that it might bear fruit, that is, from trying to make his dream for us a reality, even to the point of giving his Son over to that dream.

Dreams never come easy. If they did, they would not be dreams. It was so for those who founded this nation in 1776. It is so for parents with dreams for their children. It is so as well for God, who dreams dreams for us in Jesus. ●

How is an icon different from a regular painting of a saint?

Generally, *icon* means a symbol or image. In the Church, it refers to an image depicting Bible stories or holy people. “Icons express in images the same Gospel message that Scripture communicates by words” (*Catechism of the Catholic Church*, 1160).

Even though an icon is an image created with paints, icons are written, not painted. Icon writing, called iconography, is a vocation as well as a talent. The difference between a painter and an iconographer is that iconographers follow strict rules and standards set forth in Eastern Church canon law and Christian tradition. Rooted in God’s word, icons are rich in symbolism. The colors, gestures, and shapes speak spiritually to invite us to pray and worship.

Icons can be written on almost any surface, but historically most were written on wood and had a gold-leaf background. One example of this type of icon is Our Mother of Perpetual Help, which is believed to have been written in the fifteenth century. Pope Pius IX gave it to the Redemptorists in 1865, telling the order to “make her known throughout the world.” It now hangs in the Church of Sant’ Alfonso in Rome.

What more could be

ISAIAH 5:4

When God Daydreamed Us

FR. JOSEPH JUKNIALIS

At the end of the Broadway musical *Camelot*, King Arthur finds himself confronted by the fact that his dream of the Round Table and justice for all has died without having borne the fruit he had hoped. A young boy, Tom of Warwick, comes up to him asking if he might be dubbed a knight. Arthur does so, and then commissions him to go forth and tell the story of Camelot to everyone he meets, all with the hope that someone someday will dare to try again to create a world with equal justice for all.

We all live with dreams of what we might be, of what life might be. They seldom turn out the way we had imagined, yet what would life be without such dreams. They push us into new futures. They create hope and new possibilities. They bring meaning to our lives.

The parable of the landowner and his vineyard is really a story of God and the dream God has for us. It is a story of how God withholds nothing from caring for his vineyard that it might bear fruit, that is, from trying to make his dream for us a reality, even to the point of giving his Son over to that dream.

Dreams never come easy. If they did, they would not be dreams. It was so for those who founded this nation in 1776. It is so for parents with dreams for their children. It is so as well for God, who dreams dreams for us in Jesus. ●

How is an icon different from a regular painting of a saint?

Generally, *icon* means a symbol or image. In the Church, it refers to an image depicting Bible stories or holy people. “Icons express in images the same Gospel message that Scripture communicates by words” (*Catechism of the Catholic Church*, 1160).

Even though an icon is an image created with paints, icons are written, not painted. Icon writing, called iconography, is a vocation as well as a talent. The difference between a painter and an iconographer is that iconographers follow strict rules and standards set forth in Eastern Church canon law and Christian tradition. Rooted in God’s word, icons are rich in symbolism. The colors, gestures, and shapes speak spiritually to invite us to pray and worship.

Icons can be written on almost any surface, but historically most were written on wood and had a gold-leaf background. One example of this type of icon is Our Mother of Perpetual Help, which is believed to have been written in the fifteenth century. Pope Pius IX gave it to the Redemptorists in 1865, telling the order to “make her known throughout the world.” It now hangs in the Church of Sant’ Alfonso in Rome.

What more could be

ISAIAH 5:4

When God Daydreamed Us

FR. JOSEPH JUKNIALIS

At the end of the Broadway musical *Camelot*, King Arthur finds himself confronted by the fact that his dream of the Round Table and justice for all has died without having borne the fruit he had hoped. A young boy, Tom of Warwick, comes up to him asking if he might be dubbed a knight. Arthur does so, and then commissions him to go forth and tell the story of Camelot to everyone he meets, all with the hope that someone someday will dare to try again to create a world with equal justice for all.

We all live with dreams of what we might be, of what life might be. They seldom turn out the way we had imagined, yet what would life be without such dreams. They push us into new futures. They create hope and new possibilities. They bring meaning to our lives.

The parable of the landowner and his vineyard is really a story of God and the dream God has for us. It is a story of how God withholds nothing from caring for his vineyard that it might bear fruit, that is, from trying to make his dream for us a reality, even to the point of giving his Son over to that dream.

Dreams never come easy. If they did, they would not be dreams. It was so for those who founded this nation in 1776. It is so for parents with dreams for their children. It is so as well for God, who dreams dreams for us in Jesus. ●

How is an icon different from a regular painting of a saint?

Generally, *icon* means a symbol or image. In the Church, it refers to an image depicting Bible stories or holy people. “Icons express in images the same Gospel message that Scripture communicates by words” (*Catechism of the Catholic Church*, 1160).

Even though an icon is an image created with paints, icons are written, not painted. Icon writing, called iconography, is a vocation as well as a talent. The difference between a painter and an iconographer is that iconographers follow strict rules and standards set forth in Eastern Church canon law and Christian tradition. Rooted in God’s word, icons are rich in symbolism. The colors, gestures, and shapes speak spiritually to invite us to pray and worship.

Icons can be written on almost any surface, but historically most were written on wood and had a gold-leaf background. One example of this type of icon is Our Mother of Perpetual Help, which is believed to have been written in the fifteenth century. Pope Pius IX gave it to the Redemptorists in 1865, telling the order to “make her known throughout the world.” It now hangs in the Church of Sant’ Alfonso in Rome.

To see the original icon in real time and learn more about icons, please visit omphicon.org. ●

Rooted in God’s word, icons are rich in symbolism. The colors, gestures, and shapes speak spiritually to invite us to pray and worship.

Icons can be written on almost any surface, but historically most were written on wood and had a gold-leaf background. One example of this type of icon is Our Mother of Perpetual Help, which is believed to have been written in the fifteenth century. Pope Pius IX gave it to the Redemptorists in 1865, telling the order to “make her known throughout the world.” It now hangs in the Church of Sant’ Alfonso in Rome.

ISAIAH 5:4

When God Daydreamed Us

FR. JOSEPH JUKNIALIS

At the end of the Broadway musical *Camelot*, King Arthur finds himself confronted by the fact that his dream of the Round Table and justice for all has died without having borne the fruit he had hoped. A young boy, Tom of Warwick, comes up to him asking if he might be dubbed a knight. Arthur does so, and then commissions him to go forth and tell the story of Camelot to everyone he meets, all with the hope that someone someday will dare to try again to create a world with equal justice for all.

We all live with dreams of what we might be, of what life might be. They seldom turn out the way we had imagined, yet what would life be without such dreams. They push us into new futures. They create hope and new possibilities. They bring meaning to our lives.

The parable of the landowner and his vineyard is really a story of God and the dream God has for us. It is a story of how God withholds nothing from caring for his vineyard that it might bear fruit, that is, from trying to make his dream for us a reality, even to the point of giving his Son over to that dream.

Dreams never come easy. If they did, they would not be dreams. It was so for those who founded this nation in 1776. It is so for parents with dreams for their children. It is so as well for God, who dreams dreams for us in Jesus. ●

How is an icon different from a regular painting of a saint?

Generally, *icon* means a symbol or image. In the Church, it refers to an image depicting Bible stories or holy people. “Icons express in images the same Gospel message that Scripture communicates by words” (*Catechism of the Catholic Church*, 1160).

Even though an icon is an image created with paints, icons are written, not painted. Icon writing, called iconography, is a vocation as well as a talent. The difference between a painter and an iconographer is that iconographers follow strict rules and standards set forth in Eastern Church canon law and Christian tradition. Rooted in God’s word, icons are rich in symbolism. The colors, gestures, and shapes speak spiritually to invite us to pray and worship.

Icons can be written on almost any surface, but historically most were written on wood and had a gold-leaf background. One example of this type of icon is Our Mother of Perpetual Help, which is believed to have been written in the fifteenth century. How is an icon different from a regular painting of a saint?

Generally, *icon* means a symbol or image. In the Church, it refers to an image depicting Bible stories or holy people. “Icons express in images the same Gospel message that Scripture communicates by words” (*Catechism of the Catholic Church*, 1160).

Even though an icon is an image created with paints, icons are written, not painted. Icon writing, called iconography, is a vocation as well as a talent. The difference between a painter and an iconographer is that iconographers follow strict rules and standards set forth in Eastern Church canon law and Christian tradition. Rooted in God’s word, icons are rich in symbolism. The colors, gestures, and shapes speak spiritually to invite us to pray and worship.

Icons can be written on almost any surface, but historically most were written on wood and had a gold-leaf background. One example of this type of icon is Our Mother of Perpetual Help, which is believed to have been written in the fifteenth century. Pope Pius IX gave it to the Redemptorists in 1865, telling the order to “make her known throughout the world.” It now hangs in the Church of Sant’ Alfonso in Rome.

What more could be

ISAIAH 5:4

When God Daydreamed Us

FR. JOSEPH JUKNIALIS

At the end of the Broadway musical *Camelot*, King Arthur finds himself confronted by the fact that his dream of the Round Table and justice for all has died without having borne the fruit he had hoped. A young boy, Tom of Warwick, comes up to him asking if he might be dubbed a knight. Arthur does so, and then commissions him to go forth and tell the story of Camelot to everyone he meets, all with the hope that someone someday will dare to try again to create a world with equal justice for all.

We all live with dreams of what we might be, of what life might be. They seldom turn out the way we had imagined, yet what would life be without such dreams. They push us into new futures. They create hope and new possibilities. They bring meaning to our lives.

The parable of the landowner and his vineyard is really a story of God and the dream God has for us. It is a story of how God withholds nothing from caring for his vineyard that it might bear fruit, that is, from trying to make his dream for us a reality, even to the point of giving his Son over to that dream.

Dreams never come easy. If they did, they would not be dreams. It was so for those who founded this nation in 1776. It is so for parents with dreams for their children. It is so as well for God, who dreams dreams for us in Jesus. ●

How is an icon different from a regular painting of a saint?

Generally, *icon* means a symbol or image. In the Church, it refers to an image depicting Bible stories or holy people. “Icons express in images the same Gospel message that Scripture communicates by words” (*Catechism of the Catholic Church*, 1160).

Even though an icon is an image created with paints, icons are written, not painted. Icon writing, called iconography, is a vocation as well as a talent. The difference between a painter and an iconographer is that iconographers follow strict rules and standards set forth in Eastern Church canon law and Christian tradition. Rooted in God’s word, icons are rich in symbolism. The colors, gestures, and shapes speak spiritually to invite us to pray and worship.

Icons can be written on almost any surface, but historically most were written on wood and had a gold-leaf background. One example of this type of icon is Our Mother of Perpetual Help, which is believed to have been written in the fifteenth century. Pope Pius IX gave it to the Redemptorists in 1865, telling the order to “make her known throughout the world.” It now hangs in the Church of Sant’ Alfonso in Rome.

What more could be

ISAIAH 5:4

When God Daydreamed Us

FR. JOSEPH JUKNIALIS

At the end of the Broadway musical *Camelot*, King Arthur finds himself confronted by the fact that his dream of the Round Table and justice for all has died without having borne the fruit he had hoped. A young boy, Tom of Warwick, comes up to him asking if he might be dubbed a knight. Arthur does so, and then commissions him to go forth and tell the story of Camelot to everyone he meets, all with the hope that someone someday will dare to try again to create a world with equal justice for all.

We all live with dreams of what we might be, of what life might be. They seldom turn out the way we had imagined, yet what would life be without such dreams. They push us into new futures. They create hope and new possibilities. They bring meaning to our lives.

The parable of the landowner and his vineyard is really a story of God and the dream God has for us. It is a story of how God withholds nothing from caring for his vineyard that it might bear fruit, that is, from trying to make his dream for us a reality, even to the point of giving his Son over to that dream.

Dreams never come easy. If they did, they would not be dreams. It was so for those who founded this nation in 1776. It is so for parents with dreams for their children. It is so as well for God, who dreams dreams for us in Jesus. ●

How is an icon different from a regular painting of a saint?

Generally, *icon* means a symbol or image. In the Church, it refers to an image depicting Bible stories or holy people. “Icons express in images the same Gospel message that Scripture communicates by words” (*Catechism of the Catholic Church*, 1160).

Even though an icon is an image created with paints, icons are written, not painted. Icon writing, called iconography, is a vocation as well as a talent. The difference between a painter and an iconographer is that iconographers follow strict rules and standards set forth in Eastern Church canon law and Christian tradition. Rooted in God’s word, icons are rich in symbolism. The colors, gestures, and shapes speak spiritually to invite us to pray and worship.

Icons can be written on almost any surface, but historically most were written on wood and had a gold-leaf background. One example of this type of icon is Our Mother of Perpetual Help, which is believed to have been written in the fifteenth century. Pope Pius IX gave it to the Redemptorists in 1865, telling the order to “make her known throughout the world.” It now hangs in the Church of Sant’ Alfonso in Rome.

What more could be
done for my vineyard
that I did not do?

ISAIAH 5:4

When God Daydreamed Us

FR. JOSEPH JUKNIALIS

At the end of the Broadway musical *Camelot*, King Arthur finds himself confronted by the fact that his dream of the Round Table and justice for all has died without having borne the fruit he had hoped. A young boy, Tom of Warwick, comes up to him asking if he might be dubbed a knight. Arthur does so, and then commissions him to go forth and tell the story of Camelot to everyone he meets, all with the hope that someone someday will dare to try again to create a world with equal justice for all.

We all live with dreams of what we might be, of what life might be. They seldom turn out the way we had imagined, yet what would life be without such dreams. They push us into new futures. They create hope and new possibilities. They bring meaning to our lives.

The parable of the landowner and his vineyard is really a story of God and the dream God has for us. It is a story of how God withholds nothing from caring for his vineyard that it might bear fruit, that is, from trying to make his dream for us a reality, even to the point of giving his Son over to that dream.

Dreams never come easy. If they did, they would not be dreams. It was so for those who founded this nation in 1776. It is so for parents with dreams for their children. It is so as well for God, who dreams dreams for us in Jesus. ●

Reflect

Do the dreams you have for your life and the lives of your children reflect God's dreams for you?
